Columbus Rotaract 2007/2008

**Get involved.
Grow your professional skills.
Make a difference.
Join Columbus Rotaract.**

Getting involved is easy... and free.

- **Gain** access to Columbus-area professional through monthly development meeting.
- **Contribute** to the community where you work and play through a variety of monthly service activities.
- **Connect** with new people with common interests through social events.
- **Build relationships** with the Columbus Rotary club, the central Ohio's largest Rotary chapter.

Rotaract is a Rotary-sponsored service club for young men and women ages 18 to 30.

Rotaract clubs are either community or university based, and they're sponsored by a local Rotary club.

This makes them true "partners in service" and key members of the family of Rotary.

Service projects:

Columbus Children's Hospital – Join small groups of Rotaract members volunteer monthly in the craft room.

Columbus Children's League - Columbus Rotaract adopted a local child identified by the Children's League whose family must choose medical expenses over Christmas gifts. We're hosting a wine and appetizer party where we'll wrap the presents and get to know each other. Contact Stephanie Davis to learn more.
