Serving the Community

Columbus Rotaract is excited to invite you to our 2nd Annual Golf Scramble to benefit Alzheimer's Association, Central Ohio Chapter. Last year, we raised \$6,000 and are aiming to raise even more in the current year. We would love to partner with you to help give back to our community.

One hundred percent of the proceeds from the golf scramble will benefit the Alzheimer's Association – a large portion of which will stay right here in the Columbus area – making this a unique sponsorship opportunity. Your sponsorship is contributing to an organization that supports the many people touched by Alzheimer's – not just patients, but families as well.

Come join us for a day of fun and networking! This year's golf scramble will be held on Friday, June 18th, 2010 at Heritage Golf Club in Hilliard.

We would like to thank former OSU Coach John Cooper as he continues his support of the Columbus Rotaract Golf Scramble! Coach Cooper will be the keynote speaker during lunch which is provided for all participants after a fun morning of golf.
